AVIONICS LTD**

## Media Release

### **Maxcraft Avionics receives STC for installation of Universal Avionics CVR-120A/R Cockpit Voice Recorder for Hawker Beechcraft 200 and B200 Aircraft**

**Vancouver, BC, July 31 2013**, Maxcraft Avionics Ltd., an established Avionics company located on Pitt Meadows Airport near Vancouver, B.C., has received Transport Canada Supplemental Type Certificate (STC) SA13-31 for installation of Universal Avionics CVR-120A/R Cockpit Voice Recorder in Hawker Beechcraft 200 and B200 Aircraft.

**In order to meet the upcoming Regulatory Requirements for the use of 120 minute recorders with RIPS, this newly approved installation offers the use of one of the smallest and lightest yet most capable Cockpit Voice Recorders available on the market. With minimized weight and ease of downloading ability, this CVR is the perfect solution for your Hawker Beechcraft 200 or B200 aircraft.**

#### **About Maxcraft Avionics Ltd.**

Maxcraft is Canadian owned and operates worldwide. It was founded in 1989, initially to address a need for competent avionics support services in the helicopter logging industry. Maxcraft's customer base has grown over the years to include operators and aircraft of all types -- both private and commercial: from business, charter, corporate, and airline operations; to police, military, and air ambulance fleets. With state-of-the-art facilities and highly trained personnel, it provides full-service support to the private and commercial fixed wing market as well as the helicopter sector. Maxcraft Avionics can be found on the web at [www.maxcraft.ca](http://www.maxcraft.ca) or may be reached at 604-465-3080.
